

MEET YOUR HONORED HERO:

AIDEN RIDEOUT

Non-Hodgkin's Lymphoma Survivor

**"We love trying to
find a cure!"**

- Aiden and his family

Aiden is a 5th grader at Curtis Elementary School in Bossier City, LA. In 2011, he was diagnosed with Non-Hodgkin's lymphoma. He began chemotherapy two days later. Although his treatment started out well, it did take a toll on him. He and his family spent his 5th birthday in the hospital. After 5 rounds of chemo, he was able to leave the hospital and return home just in time for Christmas. Aiden is now cancer free and is happy to be back in school. He likes dinosaurs, soccer, and Legos.
